

United for a safer world for children!

Thank you for supporting Plan International. We strive for a just world that advances children's rights and equality for girls.

Plan International works with the most vulnerable and excluded children, particularly girls, with a specific focus on gender equality. We want girls and boys to have the same opportunities in life. Your support also enables us to respond quickly and effectively to humanitarian crises, reaching children and families where the needs are greatest. We are active in over 80 countries.

Thank you for your support!
