

Together, we help girls access their right to education!

Thank you for supporting Plan International's work for a just world that advances children's rights and equality for girls. Your holiday donation helps us reach more girls and ensure they receive a safe, quality education.

When a girl access her right to education, everything changes. She gains knowledge, safety, and hope for the future. The risks of child marriage and teenage pregnancy decrease. With each year of schooling, her future income increases, giving the next generation a better chance to break the cycle of poverty. Together, we are building a world that protects and empowers every child. Thank you!
